

About the Institution

A premier institution of education like the Rayat Shikshan Sansha, known and honoured far and wide, not only at the national level, but at the global level too, needs no introduction. The institution itself is regarded as a noble mission, a noble cause, so earnestly and so endearingly pursued by its founder- father Karamveer Bhauro Patil, the educator of the educators and his legendary wife Sou. Laxmibai Patil with her exemplary sacrifices made to turn the mission into a reality.

The Rayat Shikshan Sansha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Dr. Karamveer Bhauro Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality. Throughout his life he tried to translate this belief into reality. He was the champion of the poor, the weak, the dispossessed and left no stone unturned for their upliftment. He was a great humanitarian who endeavored hard to educate the masses to bring a kindly light of hope in their lives of misery and ignorance. He realised that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sansha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarters of his educational institution to Satara.

About the College

Ours is the only college in the drought-prone town of Madha established in June 1970 with a well-defined motive of "Rural Youth Empowerment through Quality Education". The neighborhood villages and local community naturally felt the need of the college imparting higher education for their coming generations. Therefore, sixteen acres land of the college was generously donated by the local well-wishers of the Sansha.

The college aims at enabling the students to accept new challenges and inculcating moral values. Since its establishment, the college has been a reputed and socially responsible institution in academic, sport, and cultural fields. The College Development Committee is consisted of well educated, socially responsible and humble human beings strongly determined and dedicated to the cause of social welfare through providing quality education.

During the last five years, after NAAC reaccreditation of second cycle, the college has made systematic efforts to build excellence in teaching, learning, research, extension activities and employability of the students. In addition to offering traditional courses the college has taken pace by offering courses. As a result in the third cycle of NAAC, our college has secured 'A+' grade with 3.26 CGPA. The college has also been awarded with the "BEST COLLEGE AWARD"-2021 from the Punyashlok Ahlyadevi Holkar Solapur University, Solapur.

Shikshan Sanstha, known and honoured far and wide, not only at the national level, but at the global level too, needs no introduction. The institution itself is regarded as a noble mission, a noble cause, so earnestly and so endearingly pursued by its founder- father Karmaveer Bhaurao Patil, the educator of the educators and his legendary wife Sou. Laxmibai Patil with her exemplary sacrifices made to turn the mission into a reality.

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Dr. Karmaveer Bhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste-hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality. Throughout his life he tried to translate this belief into reality. He was the champion of the poor, the weak, the dispossessed and left no stone unturned for their upliftment. He was a great humanitarian who endeavored hard to educate the masses to bring a kindly light of hope in their lives of misery and ignorance. He realised that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the head-quarters of his educational institution to Satara.

The college aims at enabling the students to accept new challenges and inculcating moral values. Since its establishment, the college has been a reputed and socially responsible institution in academic, sport, and cultural fields. The College Development

Climate change risk for India

Temperature Extremes:

- India's average annual mean temperature during 1901-2020 showed an increasing trend of 0.62°C/100 years. Average temperatures in India are predicted to increase by 1.5°C to 3°C.
- Projected temperature rises are strongest in the northern regions of India, and annual minimum and maximum temperatures are expected to increase at a greater magnitude than national average temperatures.
- Intensification of climate extremes is projected in India, with increased drought risk and increases in the quantity of precipitation during heavy rainfall events.

About Parent Institution

The Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. Continent Padmabhushan late Dr. Karmveer Phurao Patil was a man of the masses who devoted entire life cause of noble education. He founded the Rayat Shikshan Sanstha in 1919 at the village Kale in Satara District. The Institute's motto 'Education through self-help' speaks for its emphasis upon the dignity of Labour and its social orientation. At present institution is working with network of 772 branches spreading over 15 districts of Maharashtra and One District of Karnataka including Colleges, ITI's, High Schools, Primary Schools, Pre-Primary Schools, Hostels, Ashramshalas and Others. Sanstha operates through eight administrative offices and has a strong workforce to enter the educational needs of 4.6 lakhs students.

About the College

This is the only college in the drought-prone town in Madha established in June 1970 with a well-defined motive of "Rural Youth Empowerment through Quality Education". The neighborhood villages and local community naturally felt the need of the college imparting higher education for their coming generations. Therefore, 16 Acres land of the college was generously donated by the local well-wishers of the Sanstha.

The College aims at enabling the students to accept new challenges and inculcating moral values. Since its establishment, the college has been a reputed and socially responsible institution in academic, sports and cultural fields.

About the Department

Our Department of History was established in 1970. The department runs Bachelor's Degree course in the discipline. The Department offers some discipline specific short term diploma and value added courses for upgrading the skills and employability of enrolled students. Faculty Members of the department are well experienced in their respective domains and have showcased their research outcomes in the International Arena. The Department is equipped with LCD projection system with Wi-Fi.
